

Welcome to Hart County!

For your pleasure we have displayed the artistry of the traditional quilt on a backdrop of historic and beautiful barns. Each block displays vividly painted quilt squares installed on barns and buildings. Even if it is raining, you can still enjoy a day of adventure finding the quilt blocks.

Take your time, pack a lunch or stop at a local country store or diner to enjoy some local flavors. You will find a variety of historic sites, produce stands, shops, galleries and other places to entertain you along the way.
