- Kentucky Public School PreK-12 classrooms that fall within the poverty requirements of at least 80% of their school's students receiving free or reduced lunches are eligible to apply through the Field Trip Assistance Program for **reimbursement of $5 per student attending the field trip.** A copy of records listing the percentage of students in the classroom that are eligible for free/reduced lunch program should be submitted with this application.
- PreK-12 teachers may submit applications beginning July 1, 2026. Extra consideration will be given for fall trips.
- Funds will be awarded to qualifying schools with a maximum of $500 per visit as long as funds continue to be available. You will be notified as soon as your project is reviewed and approved.
- **School shall contact the attraction directly to reserve the Field Trip and make reservations and arrangements with them for group tickets payment. Attractions and phone numbers are above under logos.**
- $5 per student attending will be reimbursed by mail to the school within approximately two weeks following the trip with attendance verification from the attraction and verification from the attraction of their receipt of funds from the school.
